- Your official **Acceptance Letter** will be sent to you once we receive the tuition deposit and application fee, if applicable.
- In order to be eligible for a **Canadian study permit**, which serves as a Canadian student visa during your stay, the Government of Canada may require that you apply for a minimum of **6 months (or 2 semesters)** in the ESL Program. Please consult a Canadian visa office in your country to confirm the minimum length of time you are required to study in Canada. Students with conditional admission, pending English proficiency, to an undergraduate or graduate program already meet the minimum program length, and therefore should apply for only **one** semester.
