5. STCW Basic Safety Course and Security Course + Seaman book arranged by us.
6. Medical checks and vaccinations prior to embarkation

## **Job Description – Maritime Security Guard (Cargo Container Ships)**

Client: MSC

Position: Unarmed Maritime Security Guard

Vessel Type: Container Ships

Locations: South America, USA, Europe

Salary: USD 2,550/month (Tax-Free)

Contract Duration: 4–6 months

### **Position Overview**

As a Maritime Security Guard, you will serve as the Ship Security Officer (SSO) appointed by the company and the ship's master. Your primary responsibility is to implement and maintain the Ship Security Plan (SSP), ensuring the vessel's security during operations and transit. You will work closely with ship officers, crew, and port authorities to coordinate activities and ensure a high level of security awareness and preparedness on board.

### **Key Responsibilities**

#### **Security Management & Operations**

- Implement and maintain the ship's security plan in accordance with company policy and international maritime standards.
- Monitor all security-related aspects of the ship and ensure compliance with security protocols.
- Conduct routine security inspections of the vessel and cargo handling operations.
- Respond promptly to threats or security breaches and report incidents to the company and ship's master.
- Maintain security equipment: ensure it's correctly operated, tested, calibrated, and maintained.
- Ensure clear communication lines with ship officers, port authorities, and company operations teams.

### **Minimum Requirements**

- Former military, law enforcement, or certified security professional
- Clear criminal record
- Good command of English
- Physically fit and professional in appearance

### **Benefits**

- Tax-free salary

- All transportation costs covered (flights, hotels, transfers)
- Medical insurance provided
- Free meals, water, and welfare essentials on board
- Career advancement opportunities (e.g., promotion to Deputy or Chief Security Officer roles)

### **Recruitment & Training Process**

1. Initial screening by our recruitment partner
2. First interview via online platform (conducted by us)
3. Second interview (conducted by us)
4. Online Standard Operating Procedure (SOP) training
5. STCW Basic Safety Training and Maritime Security Course (Assistance by us)
6. Medical examinations and vaccinations prior to embarkation
7. Assistance with Seaman Book issuance

## **Job Description – Port Facility Security Guard (South America)**

Client: MSC

Position: Port Facility Security Guard

Location: Primarily Panama (with brief onboard transits)

Contract Duration: 4 months

Salary: USD 2,850/month (Tax-Free)

Accommodation & Travel: All expenses covered

### **Key Responsibilities**

- Ensure the security of port facilities and support operations during vessel visits.
- Maintain vigilance over port access points and monitor all onboard transits.
- Liaise with vessel and port safety officers for coordinated security operations.
- Safeguard company equipment and follow proper safety protocols.
- Comply with team leader and supervisor instructions.

### **Minimum Requirements**

- Former military, police, or certified security professional
- Clear criminal record
- Good command of English
- Fit appearance and good physical condition

### **Benefits**

- Full transportation costs covered (flights, hotels, transfers)
- Medical insurance provided
- Free meals, water, and basic welfare needs
- Career advancement: Promotion opportunities to Deputy and Chief Security roles

### **Recruitment & Training Process**

1. Initial screening by recruitment partner
2. First interview via online (conducted by us)
3. Second interview online (conducted by us)
4. Online SOP training
5. STCW Basic Safety Course and Security Course + Seaman book arranged by us.
6. Medical checks and vaccinations prior to embarkation
